

The Vessel

The Vessel is coming.
First stop: Melancholy Street
On comes a mid-summer's night.
Next up is Happiness Way
Here come the clueless children
While the newlyweds leave.
The Vessel arrives at Jealousy Road
The wealthy duke departs.
Lust Avenue
The lovely teens.
Terror Way
The sick man's wife.
Stress Drive
The medical students and the poverty born man.
A long pause at Depression Lane
The man dressed in yellow, the adolescent dressed in black, the woman in silk.
Delay not a moment
Destinations differ
Stops are eternally endless
The vessel is coming.
